UUs strive for justice, equity, and compassion in human relations.

We must engage in INTENTIONAL learning spaces to organize for racial justice.

We must continue to support the Black Lives Matter movement and Black-led racial justice organizations.

Allowing injustice to go unchallenged violates our UU principles.

This work creates beloved community.

UUs have a goal of world community with peace, liberty, and justice for all.

Have anti-racism revivals.

UUs have the POWER to make change.

Use the FIRE from our chalice to burn down injustice.

Sometimes we need to be uncomfortable.

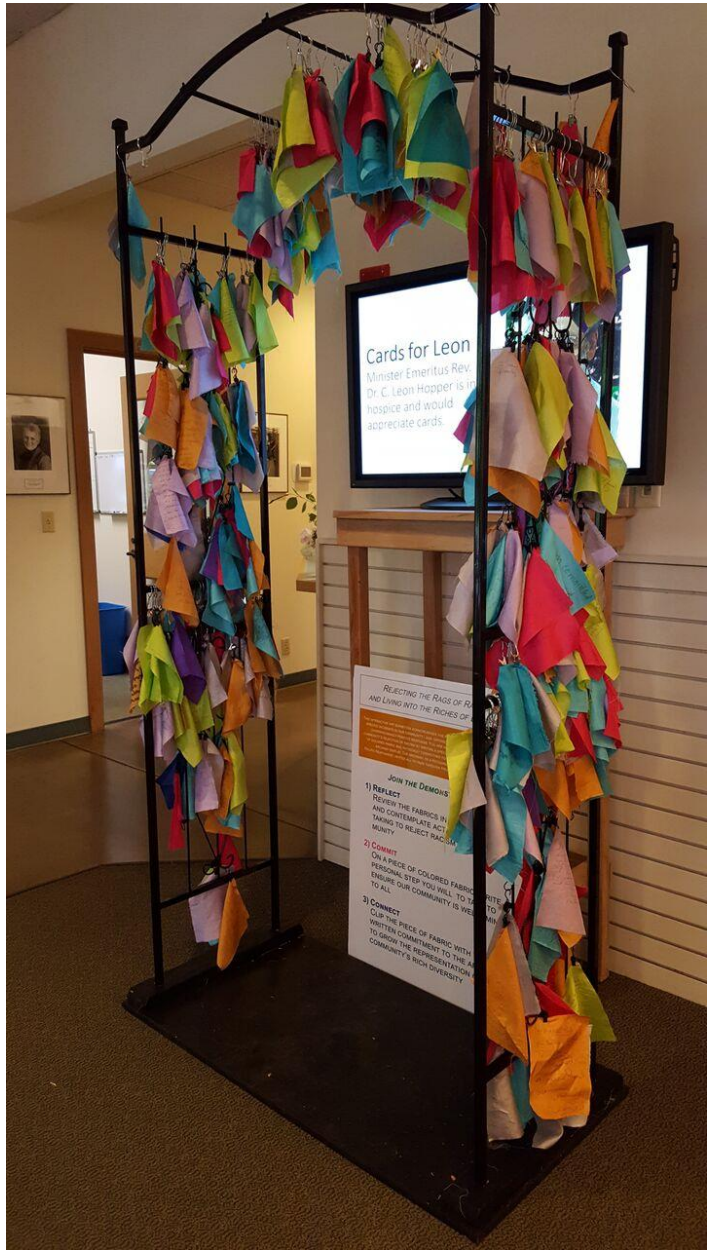
Practice anti-racism theology every day.

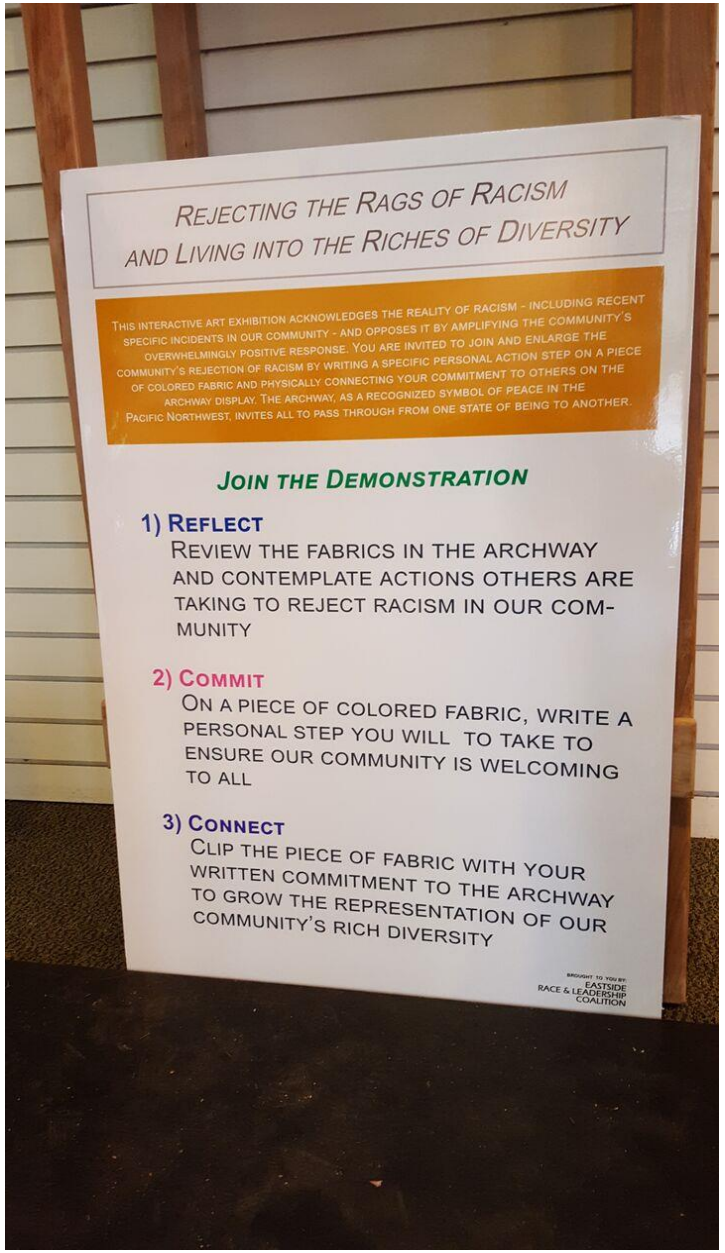
Seek to change prejudice, privilege, and injustice in ourselves, our church, and our community.

Each one teach one: share the spiritual practice of anti-racism.

Use your VOICE to speak out whenever you experience injustice.

Create opportunities for COURAGE and collaboration.





Always stand on the side of LOVE.

Sing out for others to join us.

SPEAK OUT more often than being silent.

Extend your heart, mind, hands, and spirit.

PARTICIPATE – speak, listen, act, teach, learn.

We are being called to act – heed that call.
