

## Holly House Task Force

### CONGREGATIONAL STRAW POLL

October 9, 2016 Town Hall

### **WEIGHTING THE CRITERIA FOR ANALYZING OPTIONS**

The Holly House Task Force has identified four criteria to be considered in analyzing the various options that have been proposed for the future use of the Holly House property. The Task Force is asking you to help with determining the importance or weighting of each of the criteria. Following are the four options with a brief description. (Their sequence does not reflect any predetermined priority.)

You have 100 points (or percentages) to be distributed among the four. Assign the points according to the importance you place on each criterion. (You may choose to give 0 points to one or more criteria if you don't view them as important.)

- \_\_\_\_\_ A. Social and economic justice consistent with UU principles.
  - To what extent is this option consistent with the social & economic principles of our church and the denomination?
  - Who will benefit or be harmed by any change?
  
- \_\_\_\_\_ B. Implementation time
  - How long will it take to plan and implement this option?
  
- \_\_\_\_\_ C. Risk/Liability
  - Are there risks and liabilities for the church/congregation? What are they and how significant are they?
  - Are they short term or long term or both?
  - What demands will be placed on the congregation?
  
- \_\_\_\_\_ D. Financial implications
  - What would be the financial impact of this option on the church/congregation?
  - Positive and negative?
  - Short term and/or long term
  
- \_\_\_\_\_ E. Impact on the Current Campus
  - How will the proposed project affect our current campus, if any
  - Ideas for integration should be considered
