How long?

Please describe how music has been a part of your life.

Please describe your experience with music at East Shore.

Please describe your involvement with other areas of East Shore life.

What role do you think the Interim Music Director should play in church life?

What would you like to see in our music program going forward?

How should a group establish conditions to ensure freedom of expression, trust and mutual respect?

What do you think makes for good group dynamics and decisions?

Are you willing and able to meet frequently, perhaps as much as every week for the next several months, in order to establish selection criteria, review applications and come to consensus for hiring?
