"Celebrating Our Community"

Auction Catalog
November 11, 2017

– THANK YOU – THANK YOU – THANK YOU –

I'd like to recognize the myriad of people who have worked tirelessly to put this amazing event together! I started to write a list, but don't have room for everyone and I'd inevitably leave someone out:-)

This event wouldn't be possible without:

- The volunteers on the Auction Team who start work on the event months before, planning and executing all the behind-the-scenes work.
- The volunteers who help with set up and food preparation days before the auction, making sure that everything is ready when guests arrive.
- The volunteers who help during the event, making sure that everything runs smoothly to ensure that guests have a wonderful time and that our children are well cared for.
- The many individuals and groups who think up creative items and events to donate to the auction, ensuring that bidders will have much to bid on.
- The attendees who generously bid on items and events, knowing that every dollar they bid goes to help East Shore.
- The youth group who generously donate a valuable Saturday night to serve guests dinner and to watch the children as parents enjoy themselves.
- The staff who assist us in all things Auction from finances to printing to website management.

Thank you, thank you! The Auction is only possible when our community comes together in generosity. You all make our job easy and I am so grateful for each and every one of you!

General Information

Food and Drink: Steve Denison, Bob Weiss and an enthusiastic crew of volunteers are preparing an outstanding gourmet feast. The ESUC Youth Group will serve the meal; this is their major yearly fundraiser so please consider leaving a generous tip in the envelope provided to show your appreciation and support. Wine will be served (by adults) along with East Shore Master Brewer Mark Griffin's home-brewed beer.

Silent Auction Notes: Bidding ends promptly at the assigned times. At the close of each Silent Auction, the silent bid sheets will be clearly marked with the winning bid number(s) and amount(s). Copies of the marked bid sheets remain posted for the duration of the Auction to confirm the winner(s). Please do not remove any bid sheets the evening of the Auction. You will be formally notified of your winning bid in your statement of purchases.

If you have been the successful bidder of any physical items, such as a basket or print, you **MUST** claim your new treasure from the Administration Building before leaving tonight. We do not have secure storage, and unclaimed items are in danger of being lost or damaged. ***PLEASE TAKE HOME ANY PHYSICAL ITEMS YOU WIN AFTER THE AUCTION.*** If items are not picked up, you will forfeit the item to the next highest bidder, unless prior arrangements have been made.

Bid Sheets: To bid in the Silent Auction, simply write your bidder number clearly on the appropriate Silent Auction bid form. When bidding for multiples of the same item, write your bid number in as many squares as you need. For example, if you are a family of four and want to bid on a bike ride, put your bid number in four squares. See the Sample Bid Sheet on the next page, which illustrates how to bid and how multiple top bidders win.

Purchasers: You are responsible for contacting donors to arrange for delivery of the services or items you have purchased. You will receive an email statement summarizing your purchased items. *All items are to be redeemed within one year of the auction.*

Payment: All purchases, including your entry to the auction and dinner, are to be paid by credit card. Your card will be run the night of the Auction, with charges processed after the final accounting audit, which is usually within a week of the auction.

Bidding if you can't make it to the Auction: If you cannot make it to the Auction, ask a trusted friend to enter a proxy bid. You can register for a bid number even if you are unable to attend.

See Calendar of Auction Activities at back of catalog to plan your year!

Sample Silent Auction Bid Sheet

Confused about how bidding goes on some of the Silent Auction Items when multiple bidders can win? You are not alone! Here's the process.

Below is a sample bid sheet for a Fabulous Dinner. There are six available seats at the table for this Fabulous Dinner. In this example, 103 will be the winner of 2 dinners for \$30 each; 102 will be the winner of 1 dinner for \$30, and 104, 105 and 106 will each win 1 dinner for \$25.

You probably understand why the \$30 bidders won, but it can be confusing as to why 104, 105, and 106 won, and not the other \$25 bidders. It is because 104, 105 and 106 were the FIRST to bid at the \$25 level, not the last to write in their bid.

It's like at a Live Auction: The first one to get their hand raised is the winner. Subsequent bidders need to go higher to win. At both our Live and Silent Auctions, the winning bid goes to the first person to bid at the higher amount.

So be sure to write down your best bid!

240 — Celtic Song Circle

If you love to sing and/or play a musical instrument, and if you are fascinated by the origins and historical significance of songs, please come to the Sanctuary on Sunday, May 6th, 2018, 7pm for a Celtic song circle. We'll sing and play our hearts out until about 9pm. And somewhere in the middle, we'll feast on Irish Trifle (my family recipe), Welsh Cakes (Beth Wilson's family recipe), and sparkling cider.

Traditional Celtic music, which includes orally transmitted as well as composed songs, melodies, and dances, originated within and continues to evolve from the history and traditions of the Celtic nations of Western Europe - Ireland, Scotland, Isle of Man, Cornwall, Wales, and Brittany. Among the songs I'll share with you are some my Galway-born father taught me and some I gathered up along the way. I learned their lilting melodies, and soulful lyrics by listening. I encourage you do the same. There's absolutely no need for you to read music. That said, I'm aware that many of us have been carefully "paper trained", so I'll provide handouts for all with chords and melodies and words.

If you're among the winners of this bid, you're welcome to suggest a few of your own favorites – just give me plenty of time to incorporate them into our handouts. And if you'd like to perform solo or with others, that's great too – give me a heads up so I can fit you into our evening schedule. I'll be doing a few solos of my own on hammered dulcimer, Irish whistle, autoharp, and keyboard. So bring your musical instruments, especially your singing voices! And, by the way, if you can talk, you can sing, and don't ever let anyone tell you otherwise! Céad mile fáilte! (Gaelic for "One hundred thousand welcomes"!) Families welcome for \$40.
