“Preemptive Radical Inclusion”

February 5, 2023

*We practice love, explore spirituality,
build community, and promote justice.*

Welcome to East Shore Unitarian Church

We extend a special welcome to all who are here for the first time. We are glad you are here and hope your morning will provide you with a greater sense of connection with yourself, with the people around you, and with the world and spirit outside these walls. After today's service, please join us outside for coffee, tea, and conversation.

If you didn't stop by before service, please stop by the visitors desk in the foyer. There you can learn more about the church, and fill out a visitor form. During the week, we will contact you to see if you have any more questions, and help you navigate through all of our amazing programs and groups.

Large-print hymnals and a braille hymnal are available in the foyer from the ushers. Our hearing assistance devices use T-Coil loop technology. Hearing assistance devices are also available in the back of the Sanctuary or from the ushers.

Gender Affirming Restrooms are located in each building. A private restroom is located in the Administration Building. Diaper changing stations are located in all restrooms.

Families, Children & Youth

Children and youth gather in the Sanctuary with their peers or parents and on most Sundays of the year, help to light our worship chalice, share our covenant, a song and story. Most Sundays, children and youth will go to programming just for them after the Story! On "All Ages Sundays", children and youth stay in the Sanctuary and enjoy in a worshipful and celebratory space with no religious education programming. Rugs in the back and front of the Sanctuary invite children to color, read, listen, and play while also enjoying the song, movement, and prayer of a UU community. If you'd like to hear more about our programs and our registration process, set up a call with Amanda Alice Uluhan, Director of Religious Education at 425-747-3780 ext 104. We are so glad you are here!

Keeping In Touch

Do you want to keep in touch during the week? Follow us on Facebook (EastShoreUC), Twitter (@ESUC1) and Instagram (eastshore_uc). You can also request to join our email list by emailing our Director of Membership Development at membership@esuc.org. Paper copies of sermons and audio copies of the service are available in the Administration Building. You can also listen to the sermons online at esuc.org/worship/past-worship-services. Sermons are also available as Podcasts, search for "East Shore Unitarian Sermons." Sermons are posted on Tuesdays.

Have a suggestion? Leave your comments and suggestions in the box located under the TV screen in the Sanctuary lobby.

Please return this Order of Service to the baskets by the door for recycling.

*Thank you for silencing all electronic devices. Please ask any usher for an assisted listening device, a large print hymnal, or a braille hymnal.
Please feel free to fill out a card of joys & sorrows located at the back of the Sanctuary or under the chairs.*

Gather The Spirit

East Shore Unitarian Church Covenant

Rev. Dr. María Cristina

Love is the doctrine of this church.

The quest for truth is its sacrament, and service is its prayer.

To dwell together in peace, to seek knowledge in freedom,

To serve humanity in fellowship, thus do we covenant.

Gifts of the Congregation

Text ESUC plus any dollar amount to 73256 to give to ESUC using your text messaging. Standard text message rates do apply. You can also use esuc.org/give or mail in a check to ESUC any time! There are also QR codes around campus.

Closing Words & Extinguishing the Chalice

Rev. Dr. María Cristina

We extinguish this flame but not the light of truth,

the warmth of community, or the fire of commitment.

These we carry in our hearts until we are together again.

ACKNOWLEDGEMENT OF OUR INDIGENOUS NEIGHBORS

We, at East Shore Unitarian Church, acknowledge that this land is the traditional territory of Coast Salish peoples. We recognize the impact of settler colonialism and pledge to nurture our relationship with our indigenous neighbors. Their ways and understanding will guide us as we work to restore and sustain their homelands upon which we all depend.

The Eight Principles

Unitarian Universalist congregations affirm and promote eight Principles, which we hold as strong values and moral guides. They are:

- * The inherent worth and dignity of every person;
- * Justice, equity and compassion in human relations;
- * Acceptance of one another and encouragement to spiritual growth in our congregations;
- * A free and responsible search for truth and meaning;
- * The right of conscience and the use of the democratic process within our congregations and in society at large;
- * The goal of world community with peace, liberty, and justice for all;
- * Respect for the interdependent web of all existence of which we are a part.
- * Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.
